

Over the past five years, I've helped more than 300 small businesses and 80 nonprofit organizations launch, grow, and secure grant funding—totaling over \$275,000 awarded and counting.

However, sustaining this level of service requires community partnership. Your sponsorship helps cover essential operational costs and allows me to continue providing affordable, high-impact services to entrepreneurs and organizations that otherwise couldn't access this level of support.

Below are this season's **Sponsorship Tiers**, each offering meaningful value in return for your generosity

Sponsorship Tiers

\$500 – Bloom Tier

- One month of **three grant submissions**
- Two hours of **remote administrative or personal assistance**

\$1,400 – Grow Tier
